

CITY OF ARNOLD BUILDING DIVISION

Residential Pools Permit Requirements

This guide is to provide the homeowner or contractor with basic information needed to apply for a permit for an above ground or in ground swimming pool. Within this guide are standard details that may be used as part of the required construction plans.

1. Complete and sign a permit application. Pool contractor and electrician must be licensed with the City of Arnold unless it is the homeowner.
2. Pay permit fee at time of application (\$65 for each discipline plus three-tenths of one per cent (0.3) of construction cost exceeding one thousand dollars (\$1,000).
3. Submit two (2) copies of detailed construction plans drawn to scale containing the following:
 - a. Site plan showing outline of pool dimensions, outline section of pool decks, setbacks, easements, structures, overhead wiring, location of pool equipment, accessory structures and all other property improvements as well as storm water drainage direction.
 - b. Manufacturer installation requirements pump information, filter information and heater information.
 - c. Foundation plan as required by manufacturer guidelines.
 - d. Barrier to pool area such as yard fencing, locking ladders, deck locking gates, door(s) alarm, pool cover and pool alarms.
 - e. Routing of electrical wiring to pump and pool areas and lights, location of ground fault circuit interrupter outlets in the pool area and their distance to the pool.
 - f. If applicable, design of any retaining wall needed to construct the pool, provide the manufacturer details for precast modular retaining wall units.

The attached Family Pool Permit Addendum must be read, signed and submitted with the permit application.

For additional information or questions about a pool permit please call 636-282-2378 or visit the office at 2101 Jeffco Blvd., Arnold, MO 63010. Our business hours are Monday thru Friday, 8:00 a.m. to 4:45 p.m., excluding holidays.
