NEW BUSINESS

Butch Cooley – Stated he had received a complaint that snow plow trucks were damaging lawns when removing snow. He asked Ed Blattner to speak to his crew about being more careful while driving the plows. Mr. Cooley would also like to have vehicle numbers placed on all city vehicles so that when someone called with a concern they could identify a specific vehicle.

OLD BUSINESS

Phil Amato – Stated that he was still receiving phone calls regarding the issue of semi-trucks on Tenbrook. Captain Ruckman informed the council that the Police Department has issued ten tickets since this matter was brought up at the last council meeting.

Mary Elizabeth Coleman – Thanked staff for their work and support regarding the noise issues that were brought up at the last council meeting. She also agrees that having numbers placed on city vehicles is a good idea.

Jason Fulbright – Thanked Ed Blattner and his staff for the great job they have done this year regarding snow removal and salting. It has been a very busy year for snow removal.

Michelle Hohmeier – Agrees that numbers on city vehicles is a good idea. She has also received complaints regarding how fast the snow plow drivers move.

REPORTS FROM MAYOR & COUNCIL

Mayor Ron Counts – Thanked Ed Blattner and his staff for the good work on snow removal.

Ward 3 – Paul Freese – Thanked the Public Works Department for the great job they have done on snow removal.

Greg Hall – Encouraged everyone to attend the free classical concert taking place tonight that will benefit the Arnold Food Pantry.
