Reason for denial: _____

CITY OF ARNOLD

LOW FLOW TOILET \$50.00 REBATE PROGRAM

Program description:

1. Rebate amount of \$50 for each 1.6 gallon low flow toilet installed. One rebate will be applied to a residence service account per calendar year as rebate funds allow.
2. New construction projects are not eligible as state and federal law requires installation of low flow toilets in all new construction.
3. Residential single family and multifamily two, three and four family structures are eligible. No apartment complexes or commercial buildings are eligible.

Requirements:

1. Must be a customer in the City of Arnold sewer district area.
2. Purchase a 1.6 gallon low flow toilet from a business located within the corporate limits of the City of Arnold and install in a residence located within the same.
3. Submit completed application along with original receipt and UPC/Barcode from the box for low flow toilet.
4. City of Arnold personnel may request verification of installation.
5. After all requirements are met; rebate will be applied to the account noted on the application.
6. Rebate may only be applied to accounts in good standing.

DISCLAIMER:

City of Arnold reserves the right to deny any applicant who does not meet all the requirements outlined above. Due to circumstances beyond our control, City of Arnold cannot guarantee that the installation of the low flow toilets will result in lower costs, nor are we responsible for any damage which may occur to the participants property as a result of the Rebate Program.
