15. The use of the swimming pool area will begin immediately following your 90 minute use of the party room area. If the party does not use the full 90 minutes in the party area, the swimming may begin with the permission of the party host as soon as activities in the party area are completed provided the pool is open at that time. Swim time will not begin prior to the time that is booked in the party area.

## Tips & Info:

1. Allow children to have a few minutes in between the time they eat and the time they enter the pool. This generally cuts down on embarrassing incidents for the children and results in a more enjoyable experience for everyone. However, accidents do happen. If this should happen, be aware that it may affect your party and they may be asked to leave the pool for a period of 45 minutes. If this should happen, you may call the Supervisor on the following Monday morning and make accommodations for the amount of swimming time that needs to be accommodated. Parties will not have extended time in the party room area.
2. You may arrive 5 minutes prior to your party and will be asked to sign in at the front desk. Your Party Host/Hostess will meet and greet you there and escort you to your party area. Your authorized use of the facility will begin at that time. Swimming authorization begins after the 90 minute party area ends.
3. Your Party Host/Hostess will help serve cupcakes, drinks and pizza. In addition, your Host/Hostess may assist you with recording your child's gift list, assist with clean up and other party needs.
4. Have fun and thanks for choosing the Arnold Recreation Center!!!
