Re: Lonedell Road Project

Dear Resident:

The City of Arnold has been awarded a grant to resurface, add curb, shoulders and sidewalks to Lonedell Road between Pomme Rd and Missouri State Rd.

We were delayed in hosting our public meeting last fall, until we obtained our environmental clearances. We have completed the required environmental report and have finalized the preliminary design plans. We do expect easements or right of way will be needed from most of the properties fronting Lonedell Rd.

We will be hosting a public meeting on **Wednesday, January 25, 2023 at 6 pm** at City Hall, located at 2101 Jeffco Blvd. There will be a 10-minute presentation followed by question and answer session. We look forward to discussing the details of the project with you.

If you have any questions or comments please call the public works office at 636-282-2386.

Sincerely,

A handwritten signature in cursive script that reads "Judy Wagner".
