VII. DISCIPLINARY ACTION

1. In an emergency and in the interest of maintaining health and order, the Market Manager or his or her assignee, may have a vendor or customer removed from the Market. In exercising this authority, the Market Manager may ask the assistance of the Arnold Police Department.
2. In the event that a vendor violates the rules of the Market, disregards the oral/verbal warnings of the Market Manager or his or her assignee, and/or refuses to take steps to come into compliance, the vendor may be suspended for a length of time based upon the severity of the offense.

VIII. RENT

1. Rental rates will be determined each season and are printed on the Arnold Farmers Market Vendor Application.
2. Weekly rent is due by the preceding Saturday and should be paid on that Saturday or before.
3. Monthly rent is due no later than the Saturday prior to the first day of the month for each month of the Market season.
4. Vendors may not sublet or "loan" their assigned space to another person, regardless of whether that person is already a Market Vendor. Vendors may share a space at the discretion of the City of Arnold Market Manager or their assignee.
5. Any rent paid is forfeited if the vendor's license is terminated due to any reason. No refunds shall be given for any reason. In addition, if a space is reserved for a vendor and the vendor does not call to cancel prior to the Wednesday before, no credit will be given for an additional date. Rain does not cancel the Market. Every effort should be made by all vendors to attend reserved dates. Remember that we are primarily a FARMERS Market and they still have produce to sell, even if it is raining.

IX. VENDOR ATTENDANCE

1. It is expected that seasonal vendors attend most of the Saturday Market dates. If a vendor expects to be unable to report to the market, he/she is expected to notify the Market Manager as soon as possible to allow for rearrangement of space. In no instance shall a booth be held open for a vendor who is not there by 8 a.m. and who has not contacted the Market Manager that said vendor will be late that day. This includes Seasonal Vendors who should notify the Market Manager with any delays or inability to attend.
2. Vendors must agree to adequately staff their space and be open for business for the entire market day. The only exception to this rule would be if a vendor has requested an early leave time for personal reasons and requests prior to Saturday that they be able to leave prior to the end of Market time. In such case, vendors must notify Market Manager or their assignee prior to departure from the Market if they leave prior to Noon.
3. Vendors are expected to be open and ready for business by 8:00 a.m. when the market is open to the general public. No public selling may take place before the market is open to the general public.
If products run out prior to noon, vendors are requested to stay to let customers know what they had for sale, prior to selling out. This is in the best interest of the Market to ensure to customers that the Market was full at the beginning of the Market.

X. VENDOR APPLICATIONS

1. All persons who desire to sell items at the Market will submit a completed Farmers Market Vendor Application ("Vendor Application") on a form provided by the Market, including a basic listing of anticipated sale products.

Arnold Farmers Market – Rules and Regulations

I have read and understand the rules, policies, and regulations, and agree to follow them as outlined here. In addition, any rules or regulations implemented by the Jefferson County Health Department will be followed upon advisement of said policies, rules, or regulations.
